2006 Thursday league tables Touch Rugby Wales Canton Leagues Playoffs 20 July 2006

scroll to bottom of the page to see the league standings and the playoff teams and times of play.

At last it's playoffs time after two nights of rain washed play.
Congratulations if you made it into the top 4 playoff places.

But we have a problem with some div 1 men's and mixed teams unable to make the date because they have a large number of players privileged to be selected to represent their country at the European Championships in Scotland on the 21st.

Consequently they are travelling up to Edinburgh on the same evening as our playoffs and finals and therefore we may request teams who may be in 5th place to move up into a playoff spot.

KDT, Vandals and Malarkeys need to let me know definitely if they will be unable to raise a side on the 20th so that I can then enter other teams into their playoff slots.
